CHAIRMAN OF AJMAN CHAMBER

H.E. ABDULLAH AL MUWAIJI

A succession of achievements and continuous efforts, a year filled with giving and excellence, and the journey continues as work progresses to realize the vision of Ajman Chamber - making Ajman a city of economic vitality, a leader in enhancing quality of life, and a hub for investment and business

The accomplishments and accomplishments achieved during 2024, as outlined in this guide, reflect the constant and direct support of the wise leadership for the economic and investment sectors. They also underscore Ajman Chamber's commitment to its pioneering role in enhancing the business environment, supporting sustainable economic development, and providing advanced services that meet the aspirations of investors and entrepreneurs.

The prosperity and continuous development that the emirate of Ajman is witnessing under the leadership of His Highness Sheikh Humaid bin Rashid Al Nuaimi, Supreme Council Member and Ruler of Ajman, and His Highness Sheikh Ammar bin Humaid Al Nuaimi, Crown Prince of Ajman and Chairman of the Ajman Executive Council, necessitates that we all intensify our efforts to achieve the objectives of Ajman Vision 2030. This necessitates joint work and role integration with government entities to achieve sustainable development goals.

We are pleased to present Ajman Chamber Achievements Guide for 2024, which documents Ajman Chamber's journey of work and success in promoting and creating an attractive and sustainable business environment in the emirate. This guide, along with its initiatives, projects, and events, reflects the Chamber's commitment to achieving its mission of "empowering the business community in the emirate, providing an environment that enhances economic activity, and ultimately achieving the highest levels of sustainable economic prosperity and diversity".

We pledge to continue working diligently to achieve further accomplishments, launch innovative initiatives, develop services, and create an economic and investment environment that keeps pace with global changes and enhances Ajman's competitiveness both locally and internationally.

CONCLUSION

Ajman Chamber continues to support and protect the interests of the business community in the emirate of Ajman. It will exert its utmost effort to support the development process and strengthen its strategic partnerships with chambers of commerce and various governmental and private entities and institutions within and outside the country, in order to achieve its goals. We hope that we have been successful in completing this report and that it serves as a valuable reference for decision-makers in our dear emirate.
